### Circa, Hull Minster

Step into Hull Minster for an hour-long circus performance like no other. This show goes beyond the physical capabilities of the human body, pushing the boundaries of what we can see and understand.

## Code, Zebedee's Yard

See inside the County Lines with a story of organised drug and crime gangs. CODE is a spectacular blend of physical theatre, parkour and bike stunts on an urban playground, set to live rap and music and inspired by true case studies.

## Public Trust, Queen Victoria Square

In this interactive artwork, we invite you to memorialise a promise in words that will be published on a large display board. This promise can be anything you want, to yourself, to a loved one, or to the universe! Put power behind your pledge and declare it to the world!

## Pan Catwalk, Queen Victoria Square

Two performers showcase an endless stream of outfits, from a worn-out denim jacket to an extravagant glitter dress, challenging our tendencies to label and judge others based on the clothes they wear.

## Barriere, Princes Dock Street

Life is great, while you wait! Watch as four artists blend music, performance and street theatre atop an old barrier on Princes Dock St. Humour and mischief invite you to enter a surreal world without doors.

## Topa, Queen Victoria Square

Traditional Basque country dance and street dance meet and share the street for an amazing and funny performance to show us how universal our traditions are.

## Bob Marley for Babies, Hull Truck

Get your babies dancing to the greatest hits of Bob Marley in this show designed for families. Four singing dancers, or four dancing singers, and a cellist perform the music of Bob Marley in an immersive show where you and your little ones are encouraged to get up and join in the fun.

## The Amazing Katleen, Zebedee's Yard

An ode to old-school circus, watch The Amazing Katleen perfect acrobatic feats, from handstands to balancing stunts. With plenty of laughs, it's a touching tribute to all mothers who sometimes struggle.

## Freedom Chorus, Stage@Dock and Trinity Market

A chorus of voices come together with raucous chanting and rousing song for an environmental protest.

## The 2 CV, Queen Victoria Square

Two French tourists are lost in Hull and need your help to find their way back to Paris! Watch in awe as the daft duo navigate their banged up Citroen 2CV through the streets of the city centre.
